Press Release

On the 13th of January the Committee of the Luddenham A H & I Society Inc unanimously decided to cancel the 2021 Luddenham Show. We did look at moving this year's Show to later in the year but it was decided it would be better to cancel this year completely.

With the uncertain future of COVID-19, the changing daily circumstances and the unknown restrictions that may apply in March, the Committee made this tough decision with the health, safety and wellbeing of the whole community in mind.

Luddenham Show Society would like to take this opportunity to thank the local community, sponsors, supporters, volunteers and exhibitors for their support over the years and look forward to working with you all in the future. We are now putting all our efforts into planning the 2022 Show to be held on the 5th & 6th March.

Please Keep Safe and Take Care.
