Statement

It is with deep regret, that the Committee of the Luddenham A H & I Society has decided to cancel the 2022 Show. This decision was made in the interest of the health and safety of our Volunteers and Patrons and has been taken after much deliberation and consultation.

With the uncertain future of COVID-19, the changing circumstances and the unknown restrictions that may apply at showtime, the Committee made this tough decision with the health, safety and wellbeing of the whole community in mind.

We understand the disappointment this cancellation will cause for some in the community for the second consecutive year. The cancellation of the Show is yet another disruption to our lives that the pandemic has wrought and the huge impact that it has had on all of us.

Luddenham Show Society would like to take this opportunity to thank the local Community, Sponsors, Supporters, Volunteers and Exhibitors for their support over the years and look forward to working with you all in the future. We are now putting all our efforts into planning the 2023 Show to be held on the 4th & 5th March.

Please Keep Safe and Take Care.
