METHOD

Mix together all the fruits and nuts and sprinkle with the Sherry or Brandy.
 Cover and leave for at least one hour but preferably overnight.
 Sift together the flours and spices.
 Cream together the Butter and Sugar with Essences.
 Add the eggs one at a time, beating well after each addition, then alternately add the Fruit and Flour mixtures.
 Mix thoroughly. The mixture should be stiff enough to support a wooden spoon.
 Place the mixture into a prepared 20cm (8 inches) square tin and bake in a slow oven for approximately 3.5 to 4 hours.
 Allow the cake to cool in the tin.

The height of the cake should not exceed 5.7cm (57mm)

NOTE: To ensure uniformity and depending upon the size it is suggested that the raisins be snipped into 2 or 3 pieces, Cherries into four to six pieces and Almonds crossways into 3 or 4 pieces.

Prize money is sponsored by the ASC.

Winners at country shows will each receive a cash prize of \$25 and will be required to bake a second "Rich Fruit Cake" in order to compete in a Group Final to be conducted by each of the fourteen Groups of the Agricultural Societies Council of NSW.

The fourteen winners at Group level will each receive a cash prize of \$50, and are required to bake a third "Rich Fruit Cake" for the Final judging at the Royal Easter Show where the winner will receive a cash prize of \$100.00. Note: In any year, an individual competitor may participate in only one Group Final representing a Show Society and, consequently, may represent only one Group in the subsequent State Final.
