SATURDAY SECTION B – CATTLE

ENTRIES ON THE DAY AT THE OFFICE

Cattle bedding is kindly donated by
ORGANIC FERTILIZERS PTY LTD (LEPPINGTON PASTORAL Co.)

All classes will be judged as in the schedule or at the discretion of the stewards. Where there is no competition, the judges will use their discretion as to whether the exhibit is worthy of a prize. No champion ribbon will be awarded if in the opinion of the judge an exhibit is not worthy. All animals must be registered with the relevant Breed Society and the Committee's decision is to be accepted as final in all matters. White coats or breed uniform to be worn in all classes. All animals entered must come from a herd and property where **Johnes Disease** has not been known or suspected in the last 5 years. Exhibitors are to notify their herd's Johnes Disease status on their entry form. We advise exhibitors that they should consider treating their cattle for the **Theileriosis Disease**, prior to coming to the Show. The Theileriosis Disease is carried by ticks & sometimes March Flies & Stable Flies. The LHPA & Senior District Veterinarian Office recommend Cydectin Pour on (Virbac) for ticks & Arrest Easy-done (Virbac) or Coopafly (Coopers) for Biting Flies. NB: Coopers should not be used within 48 hours of showing due to risk of mild irritations following treatment. Bovine Pestivirus (BDVD) free (non-PI) animals to enter our show.

METHOD

Mix together all the fruits and nuts and sprinkle with the Sherry or Brandy.
Cover and leave for at least one hour but preferably overnight.
Sift together the flours and spices.
Cream together the Butter and Sugar with the Essences.
Add the eggs one at a time, beating well after each addition, then alternately add the Fruit and Flour mixtures.
Mix thoroughly. The mixture should be stiff enough to support a wooden spoon.
Place the mixture into a prepared square 20cm x 20cm (8"x8") tin and bake in a slow oven for approximately 3.5 to 4 hours. Allow the cake to cool in the tin.

NOTE: To ensure uniformity and depending upon the size it is suggested that the raisins be snipped into 2 or 3 pieces, Cherries into four to six pieces and almonds crossways into 3 - 4 pieces.

Prize money is sponsored by the ASC. Show Societies and Groups should pay the prize money to their winners, then apply to the ASC for reimbursement.

Winners at country shows will each receive a cash prize of \$25 and will be required to bake a second "Rich Fruit Cake" in order to compete in a Group Final to be conducted by each of the fourteen Groups of the Agricultural Societies Council of NSW.

The fourteen winners at Group level will each receive a cash prize of \$50 and are required to bake a third "Rich Fruit Cake" for the Final judging at the Royal Easter Show where the winner will receive a cash prize of \$100.00.

Note: In any year, an individual competitor may participate in only one Group Final representing a Show Society and, consequently, may represent only one Group in the subsequent State Final.

Attention Judges: All Fruit cakes are to be cut in half when being judged.

Frequently Asked Questions

How do I get involved/volunteer?

The entire show is organised and run by volunteers. Volunteers are the most important part of the show and we would love to have you onboard! Feel free to speak to us at the show office about volunteering or come along to a show society meeting. Second Wednesday of every month at 8pm here at the showgrounds.

How do I enter competitions?

To make an entry in the craft pavilion, horse, cattle or poultry sections, fill out the applicable entry form in the show schedule and bring your entry on the day specified (Entry forms from previous years are ok). Otherwise for events like our Ice Cream eating comp, register your name with the organiser as per the schedule and your good to go!

Is there an ATM at the show?

There is no ATM at the show, however we do offer cash out facilities at our show office. There is also an ATM at the Caltex on Willmington Road.

Will the show still be on in bad weather?

We are determined to run the show no matter the weather, rain, hail or shine. However, in extreme circumstances, the show or aspects of it, may be cancelled to ensure everyone's safety. Don't be afraid to come have great time even if its drizzling!

Why aren't there more or different rides?

The rides we have at the show are not specified by the show society. They are determined and managed by the Showmens Guild of Australia. We invite the Showmen to the show, offer as much area designated to them as we can and they provide the best rides based on availability, size and operation.

Why don't we use more space beyond the showground?

We have very generous neighbours that allow us to use their private land during the show such as parking in the paddock opposite the front gate and use of the paddock behind the kitchen for the sheep dog trials. We are grateful for what we are allowed to use and don't want overextend our welcome on their properties.

Why does the entertainment change every year? Why is the BULL RIDE on Sunday this year?

We do our best to mix things up and keep the entertainment fresh and interesting every year. However, some changes are out of our control, for example, the Bull Ride moved to Sunday afternoon this year as Saturday would clash with another Bull Ride in Oberon and we would have risked having no riders and no bulls.

Can I go in the Main Arena?

Only if you are participating in, or contributing to running an event that is happening in the main arena. For your safety, spectators must remain outside the main arena fence at all times. EVERYONE that goes in the main arena or cattle arena must sign an indemnity waiver and wear a wrist band.

Any other questions?

We are happy to answer any questions at our show office or speak to one of our committee members.

We would also love to hear your feedback so feel free to get in touch at the show, on our social media or at one of our meetings!
